Brand: Archos · Device class: Smartphone

This overview was compiled from the information published on robustbook.com and is **not a manufacturer datasheet**. The manufacturer's own specifications are the binding source. As at: 08 August 2026. A manufacturer datasheet for the Archos X67 5G 128 GB is available (Archos, as at 07 January 2021); it is linked below. Note: this is the official Archos launch press release with an embedded technical datasheet, not a separate datasheet PDF.

Manufacturer datasheet: [ARCHOS_X67_5G_Jan_21_en.pdf →](#)

Core specifications

Display size

6.67 inch

Resolution	2400 x 1080 (FHD+)
IP rating	IP68, IP69K
MIL-STD	MIL-STD-810G
Brightness	420 nits
Processor	MediaTek Dimensity 800 (octa-core: 4× Cortex-A76 2.0 GHz + 4× Cortex-A55 2.0 GHz, 7nm process)
Memory and storage	8 GB LPDDR4X RAM (dual channel) · 128 GB UFS 2.1 internal storage
Battery	8,000 mAh, 18 W fast charging
Weight	380 g
Operating temperature	–
Interfaces	USB Type-C port · 2× Nano-SIM
Configurable	No, no configurator available

[Archos X67 5G manufacturer datasheet](#)

[comparison table: smartphones](#)

Confirmed value / data note:

- Drop height (feature list, not a core spec): until 8 August 2026 this row showed a transcription error, "up to 1 m"; the value was already corrected to "1.5 meters" before this order (source: product page). The manufacturer datasheet now confirms "drops up to 1.5 meters (Corning® Gorilla® Glass and MIL STD 810G)" - the corrected value is thereby confirmed.
- Interfaces: this row previously also included radio features (Bluetooth 5.1, NFC, Wi-Fi 802.11 a/b/g/n/ac). Per the row-assignment rule these are not I/O interfaces and have been moved to the feature list (see below, new "Connectivity" bullet).

Features and options

Excerpt from the manufacturer description on the product page. No configurator available, no prices.

- Ruggedness: withstands drops from a height of up to 1.5 meters ^[1] (according to the manufacturer description and manufacturer datasheet)
- Connectivity: Bluetooth 5.1, NFC (Google Pay compatible), Wi-Fi 802.11 a/b/g/n/ac (2.4 GHz/5 GHz), Wi-Fi Direct
- Cameras: 48 MP main camera (Sony IMX582), 13 MP ultra-wide, 2 MP depth sensor, 2 MP macro, 16 MP front camera
- Security: fingerprint reader (side), facial recognition, dedicated PTT/SOS button
- Navigation: GPS, GLONASS, Galileo
- Scope of delivery (per manufacturer description): device, USB Type-C cable, power adapter, Type-C to 3.5 mm audio adapter, quick start guide
